

ABDUL SABOOR

CAREER OBJECTIVE

Technical Business Development Executive blending hands-on software engineering experience with a proven track record in **B2B sales** and **IT Staff Augmentation**. Adept at consulting technical stakeholders, driving client acquisition, and matching specialized technical talent to complex project scopes to maximize ROI and retention.

PROFESSIONAL EXPERIENCE

Business Development Executive

Mavericks United | April 2025 – Present

- Spearheaded outbound sales for IT staff augmentation, building a robust B2B pipeline and driving a **10% increase** in new client acquisition.
- Consulted technical hiring managers on resource gaps, successfully placing specialized engineering talent to accelerate project delivery timelines.
- Managed key enterprise accounts, achieving a **25% growth** in quarterly revenue while ensuring high retention of deployed technical resources.

Software Engineering Intern

Acrab Creative | May 2024–September 2024

- Collaborated with a cross-functional team of 5 engineers to optimize a mission-critical web application, resulting in a 20% reduction in page load times, significantly improving the user experience.
- Implemented automated testing procedures, raising code coverage by 15% and slashing software defects by 30%, ensuring a more robust and reliable software product.
- Contributed to the design and implementation of new features, leading to a 10% increase in user engagement and heightened customer satisfaction.
